## What's New?

### CANCON 2005

Hyeamin Yoon  
Communications Secretary

Ten delegates from GK U of T chapter were warmly welcomed to Saskatoon on Thursday, February 17, 2005 by volunteer drivers from the host universities and were driven to Sheraton Cavalier Hotel. GK U of T joined representatives from the other 16 Canadian chapters for Cancon (Canadian conference) 2005, hosted by the University of Saskatchewan and University of Regina.

The conference started off at Wanuskewin Heritage Park where two dancers in full regalia of brilliant colors demonstrated traditional native dances like the crow hop. Then the delegates even got to try out a simple step themselves.

Friday was a time for chapter leaders to attend workshops where they could listen and discuss successful programs at other universities to help spark new ideas to bring home to their own chapters. At lunch, there was an update on the great activities that took place across the country and awards were given out to four chapters- U of T was awarded the You Rock Award! During free time later in the day, some delegates took a walk along the beautiful river that was just across the hotel or went souvenir-

shopping at the Midtown Plaza nearby. Those who brought their swimsuits raced down the waterslides at the hotel pool.

Early Saturday morning, universities presented a noteworthy chapter activity on their café displays (U of T's Hart House Getaway & Leadership Conference- Honorable Mention). The rest of the day was spent attending workshops that were related to the conference's theme, *Discover the Leader Within* (oral communication, motivating others etc). The gala dinner was held on the last day at Saskatoon to celebrate and close the conference.

Thanks to the gracious hosts this year, everyone had a great time over the three days. Next year, Toronto gets to host Cancon 2006! We are excited to take on this challenge, and with the example that Cancon 2005 hosts has set for us, we will do our best to so that no one will be disappointed next year!

### Valentine-O-Grams Fundraising

Hyeamin Yoon  
Communications Secretary

Remember getting those cute valentines in high school? GK U of T decided to let people relive those high

school days by having valentine-o-grams that people could send to their friends at any of the three U of T campuses. GK U of T is working with 6 chapters around the world in an international service project to help restore a school in Johannesburg, South Africa. We will be buying and donating school supplies with the profits made from this great fundraiser event to Metropolitan College. Thank you to all who supported us in this effort to make education more accessible to those who aren't as privileged as we are.
